

AHA TECHNICAL WORKSHOP 2026

14 - 17 SEPT 2026 | VICTOR HARBOR, SA

VENDOR OPPORTUNITY

ABOUT

The **AHA 2026 Technical Workshop** is a biennial, hands-on event bringing together hydrographers, technical specialists, data professionals and water monitoring suppliers from across Australia.

Delivered face-to-face in Victor Harbor and the Coorong region, the workshop combines classroom sessions, vendor demonstrations and a controlled-flow field regatta at Salt Creek.

This is not a trade show. It is a working environment where equipment is tested, compared and discussed in real conditions.

SPONSORSHIP

\$3,500 + GST

INCLUDES:

- Trestle table display space throughout the workshop
- Opportunity to conduct a live technical demonstration
- Inclusion in the field day regatta environment
- Two workshop registrations
- Logo recognition and acknowledgement

WHO ATTENDS

Vendors engage directly with 40 - 50 technical professionals actively working with monitoring equipment.

- Hydrographers and field technicians
- Water quality professionals
- Data analysts and project leads
- Government water agencies
- Industry specialists
